W MALDIVES DEBUTS NEW CULINARY CONCEPT 'SUSHI BEAT' AT ITS UNDERGROUND CLUB

Maldives, May 15, 2017: W Maldives introduces a new culinary concept SUSHI BEAT at Maldives' only underground club FIFTEEN BELOW. The destination welcomes guests to discover the tropical nightlife experience with a Japanese twist.

The restyled venue features an upbeat atmosphere with a trendy sushi bar, where guests can enjoy creative Japanese cuisine featuring sushi, sashimi, nigiri, maki, soups, salads, appetizers, desserts and a great selection of sake.

SUSHI BEAT is open twice per week on Tuesdays and Saturdays between 7:00PM and 10:00PM while the nightclub is open on the same days until midnight. Guests can electrify the evening with global rhythms from W Maldives' resident DJs, dance on the dance floor or watch the action unfold from the comfy divans with signature cocktails in hand.

FIFTEEN BELOW / SUSHI BEAT was restyled in November 2016 by a Japanese street graffiti artist Shiro One from Shizuoka, Japan, who has displayed her work in both art galleries and streets of USA, Germany, China, Australia, New Zealand, Philippines and Austria. Shiro One's painting style is a mix of hip-hop culture, street art and Japanese cartoons.
